

*Ní neart go cur le chéile*

6th August 2020

Dear Parents / Guardians

We hope that you and your families are making the best of the recent change in the weather.

Thank you all so much for your co-operation and understanding over the past few months.

We would like to reassure you that we are working very hard to have our school ready to open to staff and pupils, guided by the "Roadmap for the Full Return to School", published last week by the Department of Education and Skills.

All rooms are being deep cleaned. All necessary precautions are being taken. All staff are being trained in "Return to Work Safely" protocols.

We will be in touch very soon with further details on the logistics of how pupils will access school on their return and we will have all information available on our website.

We are very excited about welcoming your children safely back to St Francis NS, and welcoming our new Junior Infants as they start their primary school journey, and we very much look forward to picking up from where we left off in March.

We hope that you and your children enjoy what remains of our summer holidays.

Le gach dea mhéin
