## One to One Teaching Policy

Provided it is deemed appropriate for an individual, one-to-one teaching will be provided. Timetabling for one to one teaching will be drawn up by the SEN teacher in conjunction with the class teacher. Timetables for one to one teaching will be given to the SEN coordinator.

When one to one teaching takes place, the classroom door will be generally closed to provide for a quiet / private learning environment. All doors are fitted with vision panels in line with child protection guidelines.

If a child needs one to one teaching, parents / guardians should be informed as part of the school support process. Substitute teachers are Garda vetted and therefore follow the SEN timetable and continue with one to one teaching as timetabled. Students on teaching practice or on work experience should never be in a one to one setting with pupils in the school.

**Next review September 2023.**
